Make Your Mark . . . Buy a Brick

For nearly 50 years, John Knox Village has been a leading provider of care and services for older adults who live on its campus and throughout the Kansas City Metropolitan Area. As the life plan community approaches its golden anniversary, you can help continue the Village's grand tradition of enhancing lives and building community – while literally leaving your mark – by becoming part of the Legacy Brick Program.

Enrich Lives

All members of the John Knox Village community are invited to buy customizable bricks or stones for yourself or as unique gifts to honor loved ones or favorite organizations. Your personalized purchase will be laid in a beautiful garden/patio area located in the heart of the Village campus where you can be recognized for your role in helping to build and sustain the Village's legacy. Proceeds from

the sponsorship will be used to enrich John Knox Village services and amenities.

The Legacy Bricks are available in four sizes and include space for a customizable inscription and/or graphic.

- **Standard Brick:** a 4x8-inch brick with up to three lines of text.
- **Square Brick:** an 8x8-inch brick with up to six lines of text.
- **Large Brick:** an 8x16-inch brick with up to six lines of text.
- **Tribute Stone:** a 16x16-inch stone with up to 13 lines of text.

Other legacy giving opportunities include sponsorships of benches, a pondless waterfall, trellis, bike racks and an outdoor kitchen area.

The Legacy Bricks, stones and other sponsorship offerings will be sold on a first-come, first-served basis. Gift certificates also are available.

Why is the Legacy Brick patio located at The Meadows? The commemorative brick patio is part of the outdoor area of the Village's newest neighborhood, The Meadows. Located just south of the picturesque Westminster Meadows nature area, The Meadows is situated in a central location that is easy to get to by foot, bike, car or bus. What's more, it is home to multiple services and amenities that all John Knox Village residents can enjoy.
